

A moment of silence, a lifetime of memories

Miss me but let me go

***When I come to the end of the road
And the sun has set for me.
I want no rites in gloom-filled room
Why cry for a soul set free?***

***Miss me a little – but not too long
And not with your head bowed low
Remember the love once shared
Miss me – but let go***

***For this a journey that we must take
And each must go alone
It's all a step in the Masters plan
A step on the road to home***

***When you are lonely and sick of heart
Go to the friends we know
And bury your sorrows in doing good deeds
Miss me – but let me go.***

Words just can't explain how we are feeling, so low life has taken away***

***This goodbye is going to be painfully hard and long but like you always said
We'll try to be strong.....***

***You held m y hand
When I was small
You caught me when I fell
You're the hero of my childhood
And my later years as well***

***And every time I think of you
My heart still fills with pride
Though I'll always miss you Mommy
I know you're by my side***

***In laughter and in sorrow
In sunshine and through rain
I know you're watching over me
Until we meet again***

You have fought a good fight of faith

***Your life was a Blessing
Your memory a Treasure
You are loved beyond Words
And missed beyond Measure***
